ORDER¹

The Respondent's request for special permission to appeal from the June 4, 2012 and June 7, 2012 Orders of Judge Michael A. Marcionese is denied. The Respondent has failed to establish that Judge Marcionese abused his discretion regarding his determinations as to the Respondent's questioning of the discriminatees. This denial is without prejudice to the Respondent raising these issues on exceptions to the judge's decision, if appropriate.

¹ The National Labor Relations Board has delegated its authority in this proceeding to a three-member panel.

The Respondent's request to stay the hearing scheduled for June 26, 2012 is also denied.

Dated, Washington, D.C., June 21, 2012.
